Dear Community Lutheran Family,

God has blessed us abundantly in the last year as we continue to live into our identity as “a family of faith on mission for good.” We are grateful for the new energy we feel, the new faces we see, and the new ministries in which we participate.

As we grow and deepen our commitment to loving and accompanying God’s people, it creates the opportunity to respond in faith to God’s blessing by empowering the opportunities God has placed in our path. This will be the core theme of our Fall Stewardship Appeal.

In the weeks ahead, you will be hearing more about the exciting ministry aspirations for 2026. Newsletter articles, temple talks and letters will inform you of our family of faith’s ministry plans for the coming year.

Led by the Holy Spirit, we are on a mission for good that we can fulfill...as we pull together and give generously in support of this mission.

As part of the Appeal, you will be invited by letter to consider increasing your financial giving for 2026. Please pray about this request and do your best to respond generously as God leads you.

On Sunday, November 16th, we will observe Appeal Commitment Sunday by turning in Statements of Intent during the worship service. Your Statement of Intent will represent your best understanding of the amount God is calling you to give in the next year, recognizing that life events may result in your giving either increasing or decreasing.

If you cannot be present on November 16th, you are welcome to return your Statement of Intent card to the church by mail. Those from whom a response has not been received by November 23rd will be telephoned to assure everyone has the opportunity to present their giving plan for the coming year.

Thank you for being a part of this amazing family of faith. Please pray for our life together as we continue to live our mission for good in Sussex County!
